PHILIPPINES

The Philippines - they say it's where Asia wears a smile, a big country within a small package. It is the second largest archipelago in Asia with 7,107 islands. Filipinos refer to it as their string of pearls. Your biggest problem is likely to be deciding which of the pearls to see first.

The Philippines has everything, from dazzling beaches and mystical mountains to terrific shopping and thrilling adventure travel. Whatever you do in the Philippines, we can guarantee one thing - you'll dream of making many happy returns.
